## Bereavement support group sessions at Desert Highlands

KINGMAN – Desert Highlands Care Center, 1081 Kathleen Ave., began hosting monthly sessions for a bereavement support group last week.

Robert McGuire is a therapist with a master's degree in counseling. He will conduct the sessions on the third Wednesday of every month beginning at 11 a.m.

The sessions are free and open to the public. •

“It's for people who have lost loved ones and are not handling the grieving process very well,” McGuire said.

McGuire is the staff counselor for New Hope Hospice, a new hospice center in Kingman.

For more information regarding the sessions, call 753-5580.
